

CISA Tour Rules and Regulations

Eligibility and Divisions:

The CISA Tour is open to all Male Amateurs ages 50 and older. Members compete in three (3) different age divisions based on their age as of the opening round of the season. Divisions include the 50 Plus (50-59), 60 Plus (60-69), 70 Plus (70 & older). Dress Code: Collared shirts are required. Shorts must be at least to mid-thigh. No jeans allowed.

Event Rules of Play:

1. USGA Rules shall govern play unless accepted below.
2. We will try to play from the following yardages. 50 Plus- 6400 + yards, 60 Plus- 6000 – 6200 yards, and 75 Plus- 5700 yards. Verify your tees at the event registration table or website tee sheet.
3. All longer grassy areas regularly kept over 6" tall will be treated like lateral hazards, but you may ground your club if not actually marked. In other words, you may drop within two club-lengths of the point of entry or a line keeping that point between you and the hole if you lose your ball or choose not to play it. There must be clear evidence the ball went into the grassy area.
4. The one ball rule is not in effect.
5. Yardage devices are permitted.
6. Treat the host sites with respect and replace divots, repair ball marks, and rake bunkers, leave rakes in traps.

Prizes:

Players compete for both gross and net prize money. Your tour handicap is subtracted from your actual gross score for a net score. Approximately 60% of the prize money is net. Entry fees include golf, cart, and prizes. The entry fee dollars left after course fees will form the event prize purse. Half of your prize winnings can be spent on future entry fees with the other half used for Tour merchandise. Members wanting to use their merchandise credits at a facility will take a 5% fee against those winnings since the purchase of tour merchandise does help defray tour expenses and we forego that when money is spent off Tour. Player of the Year Points: Refer to the page below detailing how points are awarded at each event. Both Gross and Net points will lead to a Gross and Net Player of the Year at season's end. Players Challenge: Everyone can enter our final event in Southern Illinois. We will play our exciting match play format and return to our very popular East vs West format. Watch for the announcement of our honorees at midseason.
